THOR RECEIVES COMMITMENT FOR FINANCING OF 10% OF US\$65m EPC CONTRACT FOR THE CONSTRUCTION OF THE SEGILOLA GOLD PROJECT FROM NORINCO INTERNATIONAL COOPERATION LIMITED

Thor Explorations Ltd. (TSX VENTURE: THX) ("Thor" or the "Company") is pleased to announce it has received a commitment from Norinco International Cooperation Limited ("**Norinco International**") for 10% financing of the lump-sum turnkey, engineering, procurement and construction ("EPC") contract ("LSTK EPC Contract") value awarded to Norinco International for the development of the Company's 100% owned Segilola Gold Project in Nigeria (the "Segilola Project").

This follows the announcement of Investment Committee approval for US\$78 million of funding from the Africa Finance Corporation earlier this week.

Highlights

- Segilola Project funding approvals increased to US\$84.5 million
- Commitment to fund 10% of US\$65m LSTK EPC Contract from Norinco International
- Extends Norinco International's partnership with Thor and Norinco International's commitment to the delivery of the Segilola Project
- Thor to proceed with LSTK EPC Contract finalisation and start of construction works with first production targeted within 18 months of LSTK EPC Contract commencement

The financing is subject to the execution of the LSTK EPC Contract, mutually satisfactory documentation and completion of legal due diligence, which are expected to be completed in May 2019.

Segun Lawson, President & CEO of Thor Explorations Ltd, stated:

"Norinco International has supported Thor throughout the Definitive Feasibility Study process and this financial commitment to advancing the Segilola Project demonstrates both Norinco International's confidence in its ability to deliver the construction of the project at a fixed price under the LSTK EPC Contract and the economic robustness of the underlying project. We are very pleased with the partnership that has developed with Norinco International and look forward to jointly implementing the Segilola Project build"

Facility Terms:

- Five year term from effective date of the LSTK EPC Contract
- Drawdowns equal to 10% of each amount invoiced under the LSTK EPC Contract
- 21 month moratorium on principal followed by 13 quarterly repayments
- No interest charged until Taking Over of the plant under the LSTK EPC Contract followed by an interest rate of 8.0% per annum.
- Shared security with the Senior Lender

LSTK EPC Contract

- FIDIC Silver Book contract
- Fixed price, 18 month construction period from effective date
- Value US\$65m, including certain provisional amounts subject to competitive tender

- Includes performance testing, liquidated damages regime and warranty period

Segun Lawson, President & CEO of Thor Explorations Ltd, further commented:

“Norinco International was selected as the Segilola Project’s preferred EPC Contractor following an in depth review process of alternative procurement, engineering and construction options. Norinco International ranked highly in terms of on the ground delivery capability in Nigeria, fixed contract price and time certainty. They have recently delivered a major copper cobalt project in the Democratic Republic of Congo and Thor is set to benefit from their comprehensive engineering, procurement, logistics and construction capability.”

The LSTK EPC Contract value is materially in line with the Company’s Independent NI 43-101 dated 18 March 2019.
